PUBLISHERS' NOTE.

IN these Pay Tables all fractions of half a pie and under have been omitted. Fractions over half a pie have been reckoned as a whole pie.

They have been compiled with the greatest care, and we venture to hope they will prove useful to all who have to deal with wages.

Tables for calculating Income-tax have also been added.

Particular care has been devoted to the typographical aspect and by printing the Tables in clear, open type, we have endeavoured to make rapid reference as easy as possible.
